

STEUBENVILLE NORTH CHOICE NEIGHBORHOOD PLANNING Aug 2023

ANNOUNCEMENTS

HOUSING GOALS OF CHOICE NEIGHBORHOOD

Replace severely distressed public and HUD-assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood.

Create housing that is affordable to families and individuals with a broad range of incomes including low-income, moderate-income and, market rate or unrestricted.

SITE VISIT TO PITTSBURGH

Several of us went to Pittsburgh to see their Choice Neighborhood transformation. The transformation that Pittsburgh has gone through is absolutely amazing to see. Both the City of Steubenville and JMHA are excited to see what the Steubenville North Community decide they want their new neighborhood to look like if we get the Implementation Grant.

Here are some photos of what we were able to see:

We encourage all of the north end JMHA Residents to fill out the surveys, get involved in the events/meetings and support the transformation plan!

UPCOMING/ON-GOING

SURVEYS

For those of you that have not yet completed the survey please see any of the Ambassadors or stop by the JFK Building call extension 301 for Heather and pick up a new survey. All of us will help you complete it as needed as well. Additionally, there are volunteers within both Elmer White and JFK that are willing to help you.

We need your input for success!

Don't forget, you can win a \$100 gift card.

MEETINGS

We expect the next meetings to be held in September, we encourage all of you to attend and provide insight. As soon as the date is determined we will notify you.

RESIDENT ADVISORY

Last month we let everyone know that we want the residents involved, the more insight we have the more successful we will be. That said, if you're ready to become a Resident Advisor and volunteer to help please reach out to an ambassador or Heather.
