

STEUBENVILLE NORTH CHOICE NEIGHBORHOOD PLANNING

HISTORY

STEUBENVILLE NORTH CHOICE NEIGHBORHOOD

In December 2022, the City of Steubenville, and the Jefferson Metropolitan Housing Authority (JMHA) were awarded a \$500,000 HUD Choice Neighborhoods Planning Grant for the Steubenville North neighborhood. Through the Grant, the City and JMHA are working with residents and a variety of community stakeholders – including nonprofits, faith-based organizations, anchor institutions, supportive services, agencies, businesses, and others – to create a forward-looking Transformation Plan with a strong commitment to diversity and inclusion.

The Plan will be centered on the redevelopment of JMHA’s John F. Kennedy Apartments and Elmer White Family Units, which includes 206 units of low-income housing. The CNI Plan will seek to replace 100% of those housing units within the neighborhood, or in other areas of opportunity as part of the new mixed-income developments.

ANNOUNCEMENTS

VISIONING WEEK AND COMMUNITY EVENT

In June the Choice Neighborhood Ambassadors with the support of City of Steubenville and JMHA held a visioning event to bring the community together and gather information and ideas for the future north end of Steubenville.

A special thank you to the Community Ambassadors for the hard work making the event so successful.

Daycha Wade, Tina Thompson, Tiffany White

Thank you to all of the vendors, the community and the supporters of the event. Without you the event would not have been a success.

We look forward to planning the next one soon.

UPCOMING

JMHA RESIDENT SURVEYS

In the coming weeks Heather, the Project Manager, and the Choice Neighborhood Ambassadors will be coming around to assist in completing Surveys. It's important to know the details about what you, the residents of JMHA, want to see in the future – this is how we get to the next step in transforming Steubenville's North End. Start thinking about what you, the residents of JMHA, want to see in the future and you could win a **\$100** gift card for completing the survey. Links to the survey can be found on the website, <https://www.surveylegend.com/s/4zhf> or by taking a photo of this using your smart phone.

COMMUNITY SURVEY

Community Surveys are also available. This is a Neighborhood Planning Grant, so we need the entire North End Community to provide input. Links to the survey can be found on the website, <https://www.surveylegend.com/s/4zqy> or by taking a photo of this using your smart phone.

RESIDENT ADVISORY

It is very important that you, the residents of JMHA, are included in every single step of the planning process. There will be multiple times that we will be within your community to discuss what is happening, what steps you want us to take and how to proceed to ensure the success of your new community. We ask that you engage yourself when you see us, come sit down and talk, the changes that we are working toward are for your community – we need your input!
