

# COMMUNITY MEETING 2 SUMMARY

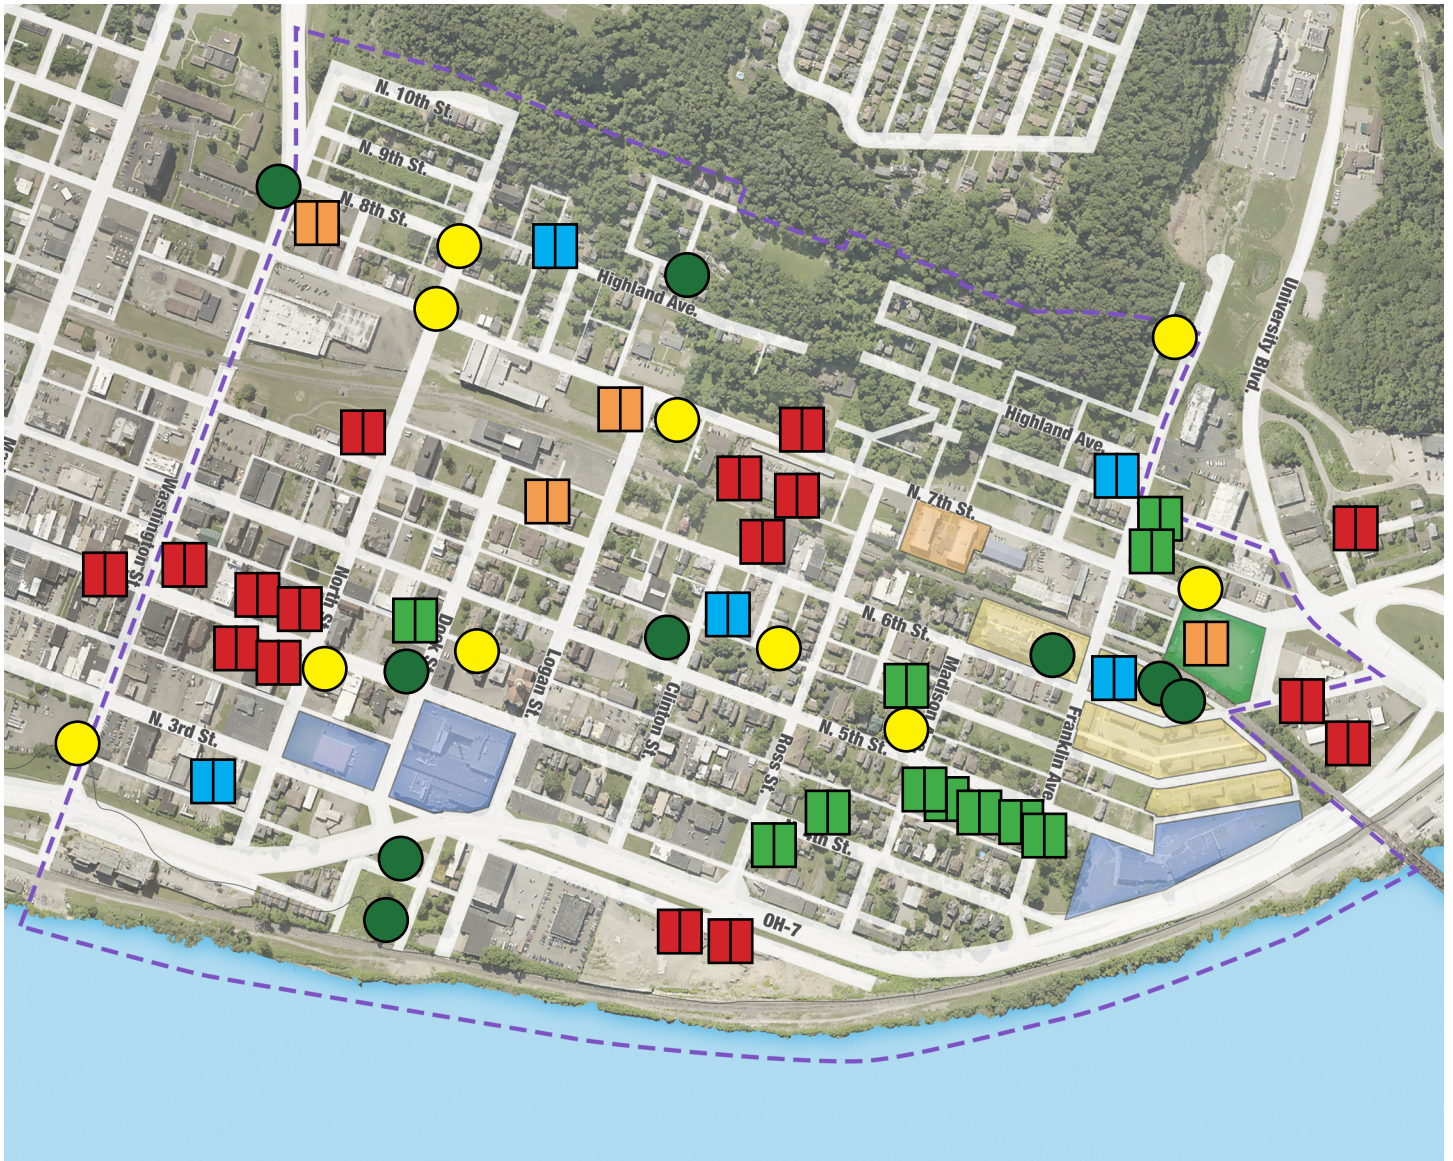

Over 100 community members gathered at the open space across from Elmer White Family Units from 3-8 pm on Tuesday, June 27th. The event was planned by Community Ambassadors Daycha Wade, Tina Thompson, and Tiffany White. Kids, families, seniors, and curious neighbors stopped by to visit one of the dozen vendors, enjoy a free meal, play games, create street art, or share their vision for the future of Steubenville North. The purpose of the event was to roll out the resident needs assessment survey and hear more about the community's vision for housing, neighborhood, and people elements of the Plan. The following is a summary of feedback that was shared with the planning team.
